

## **COL Kevin S. Chaney** **PM, FARA**

Colonel Kevin Chaney started his military career at the United States Military Academy Preparatory School in July 1990. He received a Regular Army commission in 1995 from the United States Military Academy after graduating with a Bachelor of Science degree in Computer Science. He holds a Master of Business Administration degree from the Naval Post-Graduate School and a Master of Strategic Studies from the Air War College.

Colonel Chaney began his aviation service as a Maintenance Platoon Leader in C Company, 2<sup>nd</sup> Aviation Maintenance Company at Camp Stanley, Korea. In January 1998, he transferred to the 21<sup>st</sup> Cavalry Brigade where he served as the Brigade Aviation Maintenance Officer. After completing the Combined Logistics Captains Career Course in 2001, he was assigned to Hunter Army Airfield, Georgia. While at Hunter Army Airfield, Colonel Chaney served as the 603<sup>rd</sup> Aviation Support Battalion Production Control Officer and Company Commander for Headquarters and Headquarters Company, 1<sup>st</sup> Battalion, 3<sup>rd</sup> Infantry Division. In 2003, he transferred to Fort Riley, Kansas to serve as the Company Commander and Observer/Controller Team Chief for C Company, 2<sup>nd</sup> Battalion, and 291<sup>st</sup> Regiment.

After transferring into the Acquisition Corps, Colonel Chaney was stationed at Redstone Arsenal, Alabama in 2007. At Redstone Arsenal, Colonel Chaney was the Assistant Product Manager for the T-700 Engine Controls Program and the UH-60 Modernization Product Office. In 2010, Colonel Chaney joined Assistant Secretary of the Army (Acquisition, Logistics, and Technology) as a Department of the Army Systems Coordinator for the Joint Air-to-Ground Missile and Long Endurance Multi-Intelligence Vehicle. He later served as the Executive Officer to the Deputy for Acquisition and Systems Management before being selected to be a Special Assistant to the Director of the Army Staff in the Executive Communications and Control. In 2013, Colonel Chaney assumed the duties for the Product Manager for Infrared Countermeasures at Redstone Arsenal, Alabama. In 2016, he was hand selected by the Acting Secretary of the Army to be his Acquisition Military Assistant. Colonel Chaney completed the Air War College in 2018 and assumed the duties as the Project Manager (PM) for Aircraft Survivability Equipment. In 2021, the Army selected Colonel Chaney for a second command and he assumed the duties as the PM for Future Attack and Reconnaissance Aircraft.

Colonel Chaney's awards and decorations include Bronze Star, Meritorious Service Medals, and other Army commendation and achievement medals. In 2015, Colonel Chaney was selected as the Army's Product Manager of the Year. He is an Army Aviator and graduate of the Air Assault course.

Colonel Chaney is married and has two children.
