## **August training, convoy and hunting for Pōhakuloa Training Area (PTA)**

**PŌHAKULOA TRAINING AREA, HILO, HAWAII** (July 29, 2022) — Military units are scheduled to conduct training at Pōhakuloa Training Area in August that may be heard by surrounding communities.

Essential training is subject to change based on safety, weather and other environmental factors. Weather, such as overcast conditions can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

For the community's awareness, the planned training for August is as follows:

- August 1-16 Hi. Army National Guard training: Small arms and convoy live fire. Training will occur during daytime and nighttime hours.
- August 16-18 Close Air Support live fire. Training will occur during daytime and nighttime hours.
- August 22-28 Helicopter gunnery live fire. Training will occur during daytime and nighttime hours.

There are no convoys planned currently planned for August, however, the community will receive a separate advisory should any convoy requests be submitted.

There are no hunting opportunities currently planned for August.

Unmanned Aircraft Systems (UAS) training can occur 24 hours a day, seven days a week on PTA in the restricted airspace.

The military appreciates the understanding and continued support of the Hawaii Island community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.

To report concerns related to noise or training, contact U.S. Army Hawaii's Community Concern Line at (808) 656-3487 or [usag.hawaii.comrel@army.mil](mailto:usag.hawaii.comrel@army.mil). Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
