

Josh W. Helms

**Technical Director, Center for Army Analysis
Headquarters, Department of the Army
Fort Belvoir, VA**

Mr. Helms was appointed to the Senior Executive Service in April 2021, and currently serves as the Technical Director of the Center for Army Analysis (CAA) where he is responsible for overseeing a study and analysis program that affects Program Objective Memorandum submissions, senior leader decisions for contingency and operational plans, and the maintenance and process improvements for four models that are recognized as the Army standard for data development and wargaming.

Mr. Helms's prior service included 24 years of active duty in various operational and strategic assignments in the Operations Analysis Functional Area and tactical assignments as an Air Defense Artillery officer.
