- ✓ **Closing Comments**

New Resident Introductions

WELCOME

DPW – Housing Projects

All fences in the Mountain View Area will be replaced (All AFH units have already been replaced):

600, 603, 605, 609, 611, 618, 621, 622, 624,
626, 629, 631, 633, 637, 641, 645, 647, 651

New furnaces and air conditioning units will be replaced on the following units:

601, 602, 604, 606, 607, 608, 610, 612, 613, 614, 615, 616,
617, 619, 620, 623, 625, 627, 628, 630, 632, 634, 635, 636,
638, 639, 640, 642, 643, 644, 646, 648, 649, 650

We have a project awarded to replace sidewalk, curb and gutter, and some driveways throughout the housing areas.

Housing Privatization (RCI Housing)

- A Partner has been chosen (Lendlease Corporation)
- We have not received final word that we are definitely included
- We are moving forward assuming we will be included
- Target date is 1 April 2023 for the partner to take over the properties
- This does not affect the dormitories

Safety Tips for Evacuations

Pre Plan:

- **Create a Family Emergency Plan.**
- Communicate with your family if you are asked to evacuate.
- If a family member requires special care, create a list of providers who would be available during a disaster.
- Learn how to receive alerts and important public information before, during, and after emergency.
- **Assemble a portable emergency kit that is readily available in an emergency.**

If You Are Asked to Evacuate:

- Listen carefully to instructions and information from public officials. **Evacuate immediately.**
- Follow your Family Emergency Plan and take your Emergency Kit.
- Remember to take your Pets.
- Take any Medication that is going to be needed during an evacuation.
- Wear appropriate clothing and sturdy shoes.
- **Stay away from the disaster area until you are advised that it is safe to return.**

If There is Time Before You Evacuate:

- Lock all your windows and door.
- Unplug appliances and electric equipment.
- Check with your neighbors to see if they need assistance.
- Only call 9-1-1 if you need immediate assistance from police, fire, or emergency medical services.

Visitor Control Center (VCC)

**Visitor Control Center - DPGVCC@army.mil
435-831-2244**

Access Request Process

Sponsors will provide the following for initial vetting:

- First & Last Name
- Date of Birth
- Reason for Visit/Company
- Driver License Number & state of Issuance
- Dates of arrival and departure
- Sponsor's contact information

Automated Installation Entry (AIE)

- Once VCC has conducted vetting sponsor will receive notification
- All visitor's will be required to provide SSN and phone number upon arrival to VCC in order to generate AIE pass or badge (new requirement) – continuous vetting

Traffic Study

From 10 Feb to 20 April 2022 the Directorate of Operations conducted a speed study at 5 different locations on and off the installation. Traffic was recorded utilizing an unmanned radar device, capturing the speed of **7,864** Vehicles.

FINDINGS

Traffic on the installation travels on average 6-14 MPH over the posted speed limit

Off Post speeds were recorded in excess of 115 MPH

Most traffic on and off post is directly associated with commute times

196 Fatal accidents so far in 2022

328 Fatal accidents in 2021, highest in 20 years

1 Fatal accident on SR 196 in 2022
