FOR IMMEDIATE RELEASE

Release number: 2022-09-03

October training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (Sept. 29, 2022) — Local military units are scheduled to conduct various training activities in October that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change based on weather and other environmental factors. Weather, such as overcast conditions can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

For the community's awareness, the training is as follows:

- Oct. 1, 7-10, 11-14, 22-31 Army and Marine Corps artillery/mortar training, Schofield Barracks. Training will occur during daytime and nighttime hours.

- Oct. 3-21 Army Lightning Academy Small Unit Ranger Tactics, with blank ammunition and explosive simulators, Schofield Barracks East Range

- Oct. 23- Nov. 9 (**Special**) Large-scale training exercise called Joint Pacific Multinational Readiness Center (JPMRC). Anticipate an increase in military vehicle traffic, helicopter, fixed-wing aircraft and unmanned aircraft systems (UAS) flights.
 - Oct. 23–Nov. 9 The UAS will fly from Wheeler Army Airfield and transition to the airspace over the Kahuku Training Area in the northeast of Oahu.

 - Oct. 28-30 An increase in aircraft activity at Wheeler Army Airfield on Oahu. Flights expected between 6 a.m.-noon.

Unmanned Aircraft Systems, or UAS, training can occur 24 hours a day, seven days a week on Wheeler Army Airfield and in the restricted airspace over much of Schofield Barracks and a northwestern section of the Waianae mountain range.

The military appreciates the understanding and continued support of the local community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.

To report concerns related to noise or training, contact U.S. Army Hawaii's Noise Concern Line at (808) 656-3487 or usag.hawaii.comrel@army.mil. Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

- 30 -

The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation/unmanned aircraft system (UAS) activities, or East Range training activities (between Wahiawa and Mililani Mauka). To receive Army training advisories directly, email usag.hawaii.comrel@army.mil with "Subscribe Training" in the subject line.
