

## **Ms. Regina K. Bublitz** **PM, Advanced Turbine Engines**

Ms. Bublitz holds a Master of Science for Program Management from the Naval Postgraduate School and a Bachelor of Arts from George Mason University. She is a graduate of the Joint Military Intelligence Training Center Collection Management for Analyst Course and the George Washington University Managing Information Technology Programs course. She has held numerous key program and platform integration positions during a career with Government and Industry spanning more than 25 years.

She most recently served as the Army's Aircraft Survivability Equipment (ASE) centrally-selected ACAT I Product Manager for Missile Warning. Prior to joining ASE, she was the centrally-selected Product Director, for the Light Helicopter Product Office.

In this capacity, she was responsible for life-cycle management of the UH-72A Lakota as well as divestment of the OH-58 A/C, OH-58-D and TH-67 aircraft. Ms. Bublitz began her government service at PEO Intelligence and Electronic Warfare Systems (IEW&S) as a Systems Acquisition Specialist for the Counterintelligence (CI)/Human Intelligence (HUMINT) Automated Reporting System.

Other notable assignments include the Soldier portfolio Team Lead and Soldier Protection and Individual Equipment Department of Army Systems Coordinator (DASC) for the Assistant Secretary of the Army for Acquisition, Logistics, and Technology (ASA (ALT)). She has served as the Principal Integrator for the Tactical Communications and Protective System program, and Senior Logistician for the Distributed Common Ground System–Army. She also provided Scientific and Engineering Technical Advisor support for the CI/HUMINT Information Management System, the Standard Procurement System and Joint Collection Management Tools programs.

Ms. Bublitz has received numerous awards and accolades throughout her career. She is a recipient of the Superior Civilian Service Award and the Honorable Order of St. Michael Bronze Award. She is a member of the TENCAP 'Honor Roll' and is eligible to wear the Army Staff identification pin.
