## Department of the Army

### Samantha A. Rodrigues

Senior Advisor Cyber & Strategic Operations  
Department of the Army's Management Office-  
Strategic Operations

Serves as the Senior Advisor for Cyber and Strategic Operations. Advises on the development of Cyber Operations (CO), Information Operations (IO), and Electronic Warfare (EW) capabilities, policy, doctrine, tactics, techniques, and procedures as they relate to and integrate with the intelligence enterprise. Assists with integrating and synchronizing CO, IO, EW, and Army Intelligence requirements, capabilities and resources. Develops and guides strategies, policies and governance of CO, IO, and EW activities across the Army.
