**Before You Tell It To Your Inspector General:**

**Be Sure you have a problem, not just a peeve**

**Give your chain of command a chance to solve the problem**

**If IG assistance is needed, contact your local IG first**

**Be honest and don't provide misleading information**

**Keep in mind that IG's are not policy makers**

**Keep in mind that IG's can only recommend, not order resolution**

**Remember IG's can only resolve a case on the basis of facts**

**Don't expect instant action on your request... Please have patience**

**Be prepared to take "No" for the answer**

**To contact us without fear of reprisal is the right of every Soldier, Civilian, or Family Member seeking IG help**
