

Chapter 5

Section A

Officer standards of grade (SG) tables

5-1-1. General

This chapter contains SG table specifications for each of the occupational codes developed and approved for officer classification.

5-1-2. Officer SG tables

The tables in this chapter provide the authorized duty title abbreviations, standards of grade (SG) for tables of distribution and allowances (TDA) (5-XXX-2), tables of organization and equipment (TOE) and modified TOE (MTOE) (5-XXX-1) for each officer occupational specialty. For example the SG tables for 13A, Field Artillery are located in section 5-13A-1 for TOE/MTOE and 5-13A-2 for TDA.

Notes:

1. Unless otherwise noted in explanatory notes, single lines provide grading for one position only. Numbers in (LVL1) column indicate total of multiple positions in SRC/organization.
2. When no grading guidance is provided by this table for coding TOE/MTOE, TRADOC MSC'S and Non-TRADOC specified proponent (TOE Combat Developers) will coordinate with the appropriate Branch Personnel Proponents (listed in chapter 15) to support additional grading of the manpower requirements.
