## December training advisory for Army ranges on Oahu

**SCHOFIELD BARRACKS, Hawaii** (December 1, 2023) — Local Army units are scheduled to conduct routine training activities in December that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change. Weather, such as overcast conditions can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

**To report concerns related to noise or training, contact the NEW U.S. Army Hawaii’s Community Concern Line at (808) 787-1528 or [usag.hawaii.comrel@army.mil](mailto:usag.hawaii.comrel@army.mil). Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.**

For the community’s awareness, the training is as follows:

• December 1-8	Aerial Gunnery with UH-60s on Schofield Barracks (Day and Night)
• December 1-21	East Range Small Arms Blank Fire 6 a.m. - 6 p.m.
• December 5, 7, 8, and 14	East Range Aviation related training: Air Assault, MEDEVAC, Rappelling, and Insertion/Extraction (Day Only)
• December 9-16 and 4-21	Mortar Live Fire on Schofield Barracks from 6 a.m. - 6 p.m.

Unmanned Aircraft Systems, or UAS, training can occur 24 hours a day, seven days a week on Wheeler Army Airfield and in the restricted airspace over much of Schofield Barracks and a northwestern section of the Waianae mountain range. The military appreciates the understanding and continued support of the local community.

*The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation/unmanned aircraft system (UAS) activities, or East Range training activities (between Wahiawa and Mililani Mauka). To receive Army training advisories directly, email [usag.hawaii.comrel@army.mil](mailto:usag.hawaii.comrel@army.mil) with “Subscribe Training” in the subject line.*
