March training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (March 1, 2024) — Local Army units are scheduled to conduct routine training activities in March that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change. Weather, such as overcast conditions and Kona wind (southerly) can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

To report concerns related to noise or training, contact the **NEW U.S. Army Hawaii’s Community Concern Line** at **(808) 787-1528** or usag.hawaii.comrel@army.mil. Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

For the community’s awareness, the training is as follows:

• March 1-23	Artillery & Mortar Live Fire on Schofield Barracks (Day and Night Live Fire, including late evening and early morning hours)
• March 4-31	East Range: Ranger and Jungle Tactics, Small Arms Blank Fire 6 a.m. - 6 p.m.
• March 7 & 22	Aviation Rappelling and Extraction Training on Schofield Barracks (Day Only)
• March 8	East Range Aviation related training: Air Assault, MEDEVAC 10 a.m.-1 p.m.

Unmanned Aircraft Systems, or UAS, training can occur 24 hours a day, seven days a week on Wheeler Army Airfield and in the restricted airspace over much of Schofield Barracks and a northwestern section of the Waianae mountain range. The military appreciates the understanding and continued support of the local community.

The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation/unmanned aircraft system (UAS) activities, or East Range training activities (between Wahiawa and Mililani Mauka).
