## May training advisory for Army ranges on Oahu

**SCHOFIELD BARRACKS, Hawaii (May 1, 2024)** — Local Army units are scheduled to conduct routine training activities in May that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change. Weather, such as overcast conditions and Kona winds (southerly) can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

**Special Notice: May 17-22 Wheeler Army Airfield (WAAF) is hosting multiple aircraft supporting a joint exercise. Residents in the Wahiawa-Mililani area can expect to hear or see additional cargo planes and helicopters arriving and departing WAAF. Local residents should anticipate late evening and early morning aircraft activity.**
