

**Civilian Aide to the
Secretary of the Army**
MARYLAND (CENTRAL)

GUY L. FILIPPELLI
E-mail: guyfili@icloud.com

Mr. Filippelli is currently the Managing Partner of Squadra Ventures, an early-stage venture capital firm. He was previously co-founder and CEO of RedOwl Analytics and Berico Technologies, and a founding partner of Oxpoint Holdings. He began his career as a US Army intelligence officer, serving in Korea, Italy, Germany, and Afghanistan, and at NSA. In 2007, Guy received the National Intelligence Medallion, the nation's highest award for civilian personnel, for his efforts in Iraq to bring real-time targeting capabilities to our tactical forces.

EDUCATION

Mr. Filippelli holds a B.S. in Economics from the United States Military Academy (USMA) at West Point, and received his B.A. and M.A. in Philosophy, Politics, and Economics from Oxford University, where he studied as a Marshall Scholar. He is Chairman of the Commit Foundation, a non-profit focused on veteran transition, and also serves on the boards of the National Cryptologic Foundation and the University of Maryland's BioPark.

MILITARY SERVICE

Mr. Filippelli graduated West Point in 1997 and was commissioned as a Military Intelligence Officer. He started his career on a Marshall Scholarship to Oxford University, then served as a platoon leader and staff officer at the 102d MI BN in Korea. After graduating the Advanced Course, he led the INSCOM Information Dominance Center-Europe at the 66th MI Group in Germany, and then commanded an MI Detachment in Vicenza. In 2005, he deployed to Bagram, Afghanistan with SETAF, and finished his career as a Special Assistant to the Director of the NSA at Fort Meade.

MEMBERSHIPS AND OTHER AFFILIATIONS

CIVIC: Chairman, Board of Directors of the Commit Foundation (2010-present), Member, Board of Directors, National Cryptologic Foundation (2019-present), Member, Board of Directors, University of Maryland BioPark (2020-present).

AWARDS AND RECOGNITIONS

In 2007, Mr. Filippelli received the National Intelligence Medallion, the nation's highest award for civilian personnel, for his efforts in Iraq to bring real-time targeting capabilities to our tactical forces.
