

**Civilian Aide to the
Secretary of the Army**
MASSACHUSETTS

NICOLE R. GILMORE

Email: ngilmoreCASA@gmail.com

Innovator, Entrepreneur, Educator. Ms. Gilmore is Director of Development at MITRE Corporation where she creates enterprise level acquisition and development strategies. Skilled at executing bold vision, Nicole previously led strategy and operations for the New England Venture Capital Association's Hack.Diversity. Before joining the NEVCA, Nicole built Boston based startup - Savanna Technologies. Nicole steered the company through the MassChallenge, Boston accelerator. As an Alumni In Residence, Nicole was Chair of the Women Founder's Network. Prior to joining Savanna, she worked as a strategy consultant and has extensive experience in healthcare and finance. She enjoys teaching Economics at Harvard College and previously taught at the United States Military Academy at West Point. Nicole is a contributing author to a book on personal finance and has authored research on economic development in conflict environments.

Ms. Gilmore is passionate about helping women and young entrepreneurs release their dreams and access economic opportunity.

EDUCATION

Bachelors of Science – Tuskegee University

Masters of Business Administration – Kellogg Graduate School of Management, Northwestern University

MILITARY SERVICE

Ms. Gilmore is a proud Army spouse who has supported her husband and Army families for more than 22 years. She served as a Family Readiness Group leader during deployments and believes that families are the backbone of the nation's military. She is also an advocate and supporter of transitioning military professionals
