FOR IMMEDIATE RELEASE

July training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (July 2, 2024) — Local Army units are scheduled to conduct routine training activities in July that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change. Weather, such as overcast conditions and Kona winds (southerly) can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

To report concerns related to noise or training, contact the **NEW** U.S. Army Hawaii's Community Concern Line at (808) 787-1528 or usag.hawaii.comrel@army.mil. Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

For the community's awareness, the training is as follows:

- July 1 – 3 Live Fire Exercise at Multi Purpose Range Complex on Schofield Barracks
- July 31 – Aug 2 Artillery and mortar live fire training on Schofield Barracks

The military appreciates the understanding and continued support of the local community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.

To report concerns related to noise or training, contact U.S. Army Hawaii's Noise Concern Line at (808) 787-1528 or usag.hawaii.comrel@army.mil. Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation/unmanned aircraft system (UAS) activities, or East Range training activities (between Wahiawa and Mililani Mauka). To receive Army training advisories directly, email usag.hawaii.comrel@army.mil with "Subscribe Training" in the subject line.
