<sup>1</sup> Names of Army officers are not shown in the Directory section of this volume. In compliance with law there is published annually by the War Department an Official Register. This register is issued as of December 1 each year, and gives complete information with reference to rank and service in the Army, place of birth, and place from which appointed for every active and retired officer. In addition there is given the organization of the Army and tables of pay of every branch of the Service. An alphabetical index is a feature of the register, which is for sale by the Superintendent of Public Documents, Washington, D. C.

<sup>2</sup> For pay of officers when compensation is given as "Pay of rank," see pay tables of Army in Appendix I.

<sup>3</sup> No additional compensation.
