office in the United States with a designated individual for service of process; and serve as the contact for the purpose of communications associated with the import, transit, or transport of the regulated article(s). **Note: Import/Permit requirements are subject to change at any time during the duration of this permit.

- ***Materials shall be consigned directly to the permittee address specified above.
- It is incumbent upon the permittee to uphold proper biosafety procedures and protocols to protect human and animal health as per institutional policy and recommendations published in Biosafety in Microbiological and Biomedical Laboratories, current edition.
- TRANSPORTED MATERIAL MUST BE OF U.S. ORIGIN.
- Work shall be limited to laboratory studies only. This permit does not authorize direct or indirect exposure of or inoculation into domestic livestock, (including but not limited to: birds/poultry, cattle, sheep, goats, swine, and horses).
- All research animals which are to be exposed to the material must be held only in isolated facilities with insect and rodent control program in effect.
- Materials, derivatives, packaging, containers, and all equipment in contact with the imported products shall be sterilized or considered a biohazard and must be disposed of accordingly.
- Pens, cages, bedding, waste, and dead animals in contact with these materials shall be sterilized or considered a biohazard and be disposed of accordingly.
- Work with the permitted material shall be performed in accordance with the condition requirements described in this permit. Subsequent distribution to another state is prohibited without prior authorization of APHIS (in the form of an interstate transport permit, written correspondence, or reference to an applicable guideline for no import permit required). Any change in use, treatment, disposal, and distribution within the state may require approval from the state and/or local government.
- This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
- A copy of this permit should be included with the shipping documents.

TO EXPEDITE CLEARANCES AT THE PORT OF ENTRY, BILL OF LADING, AIRBILL OR OTHER DOCUMENTS ACCOMPANYING THE SHIPMENT SHALL BEAR THE PERMIT NUMBER
