## The Signal Corps March

From flag and torch in the Civil War,  
to Signal satellites afar.

We give our Army  
the Voice to give Command.

On battlefield or global span,  
In combat we're always in the fight.  
We speed the message day or night.  
Technicians too, ever skillful,  
Ever watchful,

We're the Army Signal Corps!

CSM Richardson is married and has three children plus two bonus children and a granddaughter.

## THE ARMY SONG

### VERSE:

March along, sing our song,  
with the Army of the free.  
Count the brave, count the true,  
who have fought to victory.  
We're the Army and proud of our name!  
We're the Army and proudly proclaim:

### CHORUS:

First to fight for the right,  
and to build the Nation's might,  
And the Army goes rolling along.  
Proud of all we have done,  
fighting till the battle's won,  
And the Army goes rolling along.

### REFRAIN:

Then it's Hi! Hi! Hey! The Army's on its way.  
Count off the cadence loud and strong  
(two; three).  
For where'er we go, you will always know,  
That the Army goes rolling along.
