United States with a designated individual for service of process; and serve as the contact for the purpose of communications associated with the import, transit, or transport of the regulated article(s). \*\*Note: Import/Permit requirements are subject to change at any time during the duration of this permit.

- \*\*\*Any product containing pork or poultry is permitted if it has been fully cooked by a commercial method in a hermetically sealed container so that it is shelf-stable without refrigeration.
- \*\*\*Permit does not authorize importation of fresh, chilled, or frozen meat from poultry or swine unless the country of origin is recognized by USDA as being free of FMD, HC, SVD, ASF (swine meat), or ND & HPAI (poultry meat). Meat samples in countries not free of above diseases must be cooked or cured/dried as specified in Section 94.4, 94.8, 94.9, and 94.12 (swine meat) and 94.6 (poultry meat) of Title 9, Code of Federal Regulations.
- \*\*\*Each shipment of pork or poultry exported from disease affected-countries (diseases mentioned above) must be accompanied by an ORIGINAL signed document from the producer/manufacturer confirming that the meat products shall have been thoroughly cooked after removal of bones by a commercial method to reach an internal minimum core temperature of 80°C as used for perishable canned pork products in the case of pork products, and 70°C for 5 seconds in the case of poultry products. [This documentation must CLEARLY correspond to the shipment by means of an invoice number or shipping marks or lot number or other identification method. An English translation must be provided.]
- **\*\*\*Each shipment of milk/milk products exported from foot-and-mouth disease affected-countries must be accompanied by an ORIGINAL signed document from the producer/manufacturer confirming that the sample of milk in the exported product was subjected to a pasteurization process and/or was heat treated prior to exportation to the United States. [This document must CLEARLY correspond to the shipment by means of an invoice number or shipping marks or lot number or other identification method.]**
- The imported milk/milk products are for EVALUATION PURPOSES ONLY. Permit does not authorize use as livestock feed ingredient or in veterinary pharmaceuticals. Product may not be sold or distributed.
- No equine blood material may be imported from or through any country/region which is considered by USDA to be affected with African Horse Sickness disease.
- Importer is responsible for obtaining any required authorization from the USDA, Food Safety and Inspection Service (FSIS). FSIS may have specific public health requirements apart from USDA's animal health requirements for the permitted product. Importer to contact [(202) 720-9904 or (202) 720-3473].

TITLE

VETERINARY MEDICAL OFFICER

NO. LABELS

- This permit DOES NOT authorize direct or indirect exposure of or inoculation into laboratory and domestic livestock, including poultry, cattle, sheep, swine, horses, etc. Work shall be limited to IN VITRO uses only.
- This permit is valid only for work conducted or directed by you or your designee in your present U.S. facilities. (MATERIALS SHALL NOT BE MOVED TO ANOTHER U.S. LOCATION, OR DISTRIBUTED WITHIN THE U.S., WITHOUT USDA, APHIS, VS, NCIE AUTHORIZATION.)
- On completion of your work, all permitted materials and all derivatives therefrom shall be destroyed.
- The restrictions on this permit remain in force as long as the material is in the United States.
- This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
- Any person who VIOLATES the terms and conditions of permits, and/or who forge, counterfeit, or deface permits may be subject to criminal and civil penalties in accordance with applicable law. In addition, all current permits may be cancelled and future permit applications denied.
- A copy of this permit must be included with the shipping documents. For imported materials, these documents must be presented to CBP Agricultural Specialists upon arrival at the U.S. port of arrival.

TO EXPEDITE CLEARANCES AT THE PORT OF ENTRY, BILL OF LADING, AIRBILL OR OTHER DOCUMENTS ACCOMPANYING THE SHIPMENT SHALL BEAR THE PERMIT NUMBER
