Blesse Auditorium
Bldg 2841, 3630 Stanley Rd
JB SA-Fort Sam Houston, Texas

BG CLINTON K. MURRAY
COMMANDING GENERAL
U.S. ARMY MEDICAL CENTER OF EXCELLENCE
25TH CHIEF, U.S. ARMY MEDICAL CORPS

Brigadier General Murray grew up in Lubbock, Texas. He received a Bachelor of Science in Biochemistry from Texas Tech University (1991), his medical degree from the Uniformed Services University of the Health Sciences (USU) (1996), and Master of Strategic Study degree from the Army War College (2015). He completed a residency in Internal Medicine at Walter Reed Army Medical Center (1999) and a fellowship in Infectious Disease at Brooke Army Medical Center (BAMC)/San Antonio Uniformed Services Health Education Consortium (2002).

The Secretary of the Army appointed Brig. Gen. Murray as the 25th Chief of the U.S. Army Medical Corps on January 17, 2024. His most recent assignment was as Commanding General, Medical Readiness Command, Europe; Command Surgeon, U.S. Army Europe-Africa; and Director, Defense Health Agency Region-Europe. Brig. Gen. Murray also served as the Commander, BAMC and Deputy Market Manager of the San Antonio Market, DHA (2021-22); Commander, Walter Reed Army Institute of Research (2020-21); Command Surgeon, U.S. Forces Korea (2019-20); Commander, 1st Area Medical Laboratory (2017-19); Deputy Chief and Corps Specific Branch Proponency Officer, U.S. Army Medical Corps (2015-17); Infectious Disease Consultant to the U.S. Army Surgeon General (2016-2020); Chief, Infectious Disease Service, BAMC (2011-15); and Program Director, Army/Air Force ID Fellowship, San Antonio (2005-11). He is a Professor of Medicine at USU, Fellow of the Infectious Disease Society of America, and Master of the American College of Physicians.

He deployed as the senior medical officer of a medical company, 1st Brigade Combat Team, 1st Infantry Division to Ramadi, Iraq, in 2003-04 under the 82nd Airborne Division for six months and 1st Marine Expeditionary Force for the second six months. His deployments to Afghanistan include a review of infection control procedures of U.S., Coalition, and Afghan medical treatment facilities in 2012; assessment of the NATO Training Mission-Afghanistan supporting the Afghan National Army Infectious Disease/ Preventive Medicine residency program in 2013; and review of remote expeditionary surgical teams supporting special operations in 2015. He also performed research and taught in Africa, Asia, Europe, and South/Central America.

He has published over 360 peer-reviewed manuscripts, guidelines, reviews and book chapters. His research areas include global health security, leptospirosis, multidrug-resistant bacteria, and combat-related injury infections especially in burns and extremities.

His military awards include the Defense Superior Service Medal (one oak leaf cluster), Legion of Merit (three oak leaf clusters), Bronze Star Medal, and Meritorious Service Medal (one silver oak leaf cluster). He has earned the 'A' Proficiency Designator in Infectious Disease, Order of Military Medical Merit (O2M3), Combat Action Badge, and Parachutist Badge. He is a USU School of Medicine and TTU School of Arts and Sciences Distinguished Alumni and has received over 45 research, mentoring, and teaching awards.

Army Song*

**Please Stand*

Army Song

March along, sing our song,
with the Army of the free.

Count the brave, count the true,
who have fought to victory.

We're the Army and proud of
our name!

We're the Army and proudly
proclaim:

First to fight for the right,

And to build the Nation's might,

And the Army goes rolling
along.

Proud of all we have done,
Fighting till the battle's won,
And the Army goes rolling
along.

Then it's hi! hi! hey!

The Army's on its way.

Count off the cadence loud and
strong;

For where'er we go,

You will always know

That the Army goes rolling
along.
