

Mr. Tyrus Edwards serves as the Resource Manager for the Enterprise Cloud Management Agency at Fort Belvoir, Virginia. In this role, he is the principal advisor on all resource and fiscal matters pertaining to manpower, software, and cloud service offerings.

Mr. Edwards holds a Bachelor of Science in Accounting from Alabama Agricultural and Mechanical University (2003) and a Master of Business Administration from the University of North Alabama (2008). He has augmented his education with post-graduate studies in Enterprise Resource Planning at the University of South Carolina's Darla Moore School of Business and the Syracuse University Comptrollership course. He is a Certified Public Accountant, Certified Defense Financial Manager, and Certified SAP Application Integration Consultant.

A dedicated public servant with over 20 years of experience as an Army civilian, Mr. Edwards has held key leadership positions within the U.S. Army National Guard Bureau, Contracting Command, Space and Missile Defense Command, Corps of Engineers Financial Management Systems Office, and Aviation and Missile Command. He completed a rotational assignment with the U.S. Army Sustainment Command at Rock Island, Illinois, as part of the Department of the Army's Senior Enterprise Talent Management (SETM) TDY program in 2019. Mr. Edwards is a 2024 graduate of the United States Army War College's Enterprise Management program at Carlisle Barracks, Pennsylvania.
