

SDDCTEA Traffic Engineering and Highway Safety Bulletins Subject Listing

Subject Classification	Publication Date	Bulletin Number	Title
Geometrics/Safety/Traffic Control	2025-02	25-03	Intersection Design Considerations
Traffic Control Standards and Guidelines	2025-02	25-02	Introducing the MUTCD 11th Edition
Accessibility Standards and Guidelines	2025-02	25-01	What's New with The 2023 PROWAG
TEA Services	2024-07	24-01	TEA Traffic Studies
Crosswalk Safety	2023-12	23-04	Crosswalks
Signing & Pvmnt Markings	2023-09	23-03	Common Signing Issues
ECFs & AVBs	2023-08	23-02	Top Ten Active Vehicle Barrier (AVB) Issues
Pedestrians/Accessibility	2023-03	23-01	Pedestrian Accessibility Along Roadways
Other	2022-10	22-04	Development Planning
In Roadway & Roadside Safety	2022-06	22-03	Top 10 Road Safety Issues
In Roadway & Roadside Safety	2022-02	22-02	Traffic Safety and Compliancy, Enforcement and Education
Signing & Pvmnt Markings	2022-01	22-01	Emergency Vehicle Accommodations
Signing & Pvmnt Markings	2021-08	21-01	Sign Management: Best Practices
Roundabouts	2020-12	20-04	Roundabout Planning
Pedestrians/Accessibility	2020-10	20-03	Multimodal Planning: Pedestrian and Bicycle Components
Geometrics/Design Vehicles	2020-07	20-02	Design Vehicles and Truck Accommodations
ECFs & AVBs	2020-05	20-01	Active Vehicle Barrier (AVB) Safety Schemes
ECFs & AVBs	2019-09	19-03	Entry Control Facility (ECF) Development Process
Parking	2019-08	19-02	Parking Safety
Speed Limits & Traffic Calming	2019-02	19-01	Traffic Calming
Speed Limits & Traffic Calming	2018-11	18-06	Speed Limits
ECFs & AVBs	2018-09	18-05	Passive Barrier Systems
Railroads	2018-08	18-04	Railroad Grade Crossings
Geometrics/Design Vehicles	2018-06	18-03	Intersection Geometric Design
ECFs & AVBs	2018-05	18-02	Active Vehicle Barrier (AVB) Safety Schemes
Pedestrians/Accessibility	2018-01	18-01	Safe Routes to School
Other	2016-10	16-01	Who is SDDCTEA?
Other	2015-06	15-04	Funding for Installation Roads
In Roadway & Roadside Safety	2015-05	15-03	Clear Zones
Signing & Pvmnt Markings	2015-04	15-02	Pavement Marking Materials
Intersections, Capacity & Traffic Impact	2015-04	15-01	Transportation Management Centers
Pedestrians/Accessibility	2015-01	14-02	Sidewalks & Pathways
Pedestrians/Accessibility	2014-09	14-01	Crosswalks
Other	2014-02	13-05	Mine Resistant Ambush-Protectrd (MRAP) Vehicles
Transit	2013-08	13-04	Shuttle Bus Systems
In Roadway & Roadside Safety	2013-05	13-03	Work Zone Safety
In Roadway & Roadside Safety	2013-02	13-02	Road Safety Assessments
In Roadway & Roadside Safety	2013-01	13-01	Crashes: Reporting, Studies, and Countermeasures
Other	2012-09	12-05	Construction Projects: Planning, Programming, and Approval Process
Signing & Pvmnt Markings	2012-08	12-04	Sign Management, Current Practices
Other	2012-07	12-03	Traffic Engineering Resources for Installation Planners and Engineers
Parking	2012-04	12-02	Parking Lots and Garages
Pedestrians/Accessibility	2012-02	12-01	Accessibility Compliance for Military Installations

SDDCTEA Traffic Engineering and Highway Safety Bulletins Subject Listing

Subject Classification	Publication Date	Bulletin Number	Title
ECFs & AVBs	2011-10		Gates Revisited: Design Details
Intersections, Capacity & Traffic Impact	2011-07		Retiming Traffic Signals
Other	2011-03		Travel Demand Management
Other	2010-10		Exterior Lighting for Safety and Security
Roundabouts	2010-03		You Should Consider a Roundabout
Signing & Pvmnt Markings	2010-01		How to Meet Minimum Sign Retroreflectivity Requirements
ECFs & AVBs	2009-11		Gates Revisited, SMART Assessments
Other	2009-07		Who is SDDCTEA?
Intersections, Capacity & Traffic Impact	2008-12		Traffic Signals
Signing & Pvmnt Markings	2008-06		Markings
Signing & Pvmnt Markings	2007-12		Traffic Signs
Intersections, Capacity & Traffic Impact	2007-07		Intersection Control
Speed Limits & Traffic Calming	2006-10		Speed Limits
Signing & Pvmnt Markings	2006-04		Sign Retroreflectivity
ECFs & AVBs	2006-02		Entry Control Facilities and Access Control Points
ECFs & AVBs	2005-08		Special Edition - Safety Requirements at Active Vehicle Barriers
In Roadway & Roadside Safety	2005-05		Safety Audits
Access Mgmt	2004-10		Access Management
Pedestrians/Accessibility	2004-03		Pedestrian Safety
Parking	2003-10		Parking
ECFs & AVBs	2003-06		Gates Revisited Supplement - Concrete Barrier Placements and Arresting Devices
ECFs & AVBs	2003-06		Gates Revisited
Speed Limits & Traffic Calming	2003-04		Traffic Calming
In Roadway & Roadside Safety	2002-01		Roadside Safety - A Forgiving Roadside
ECFs & AVBs	2001-08		Traffic Engineering for Better Gates
In Roadway & Roadside Safety	2001-05		Highway Safety - Driver-Aid Treatments
In Roadway & Roadside Safety	2001-01		Roadside Safety
