Subject: DoD Installation Access Guide Now Available on SDDC Website

Purpose: To notify Transportation Service Providers (TSP) of the newly released DoD Installation Access Guide.

Be Advised: In response to ongoing concerns with installation access, the Office of the Under Secretary for Defense for Intelligence, and Security (OUSD(I&S)), in coordination with the Office of the Under Secretary of Defense Acquisition and Sustainment (OUSD(A&S)), created a simple, easy to understand guide outlining the installation access control process.

The guide is available for viewing and/or printing on the SDDC website at www.sddc.army.mil/dms/pages/default.aspx. The brochure is designed to be printed double sided (flip on short edge) and then folded like a "C" (right side in, then left side over top).

TSPs experiencing issues with installation access are reminded to complete the Installation Access Survey, also found on the SDDC Domestic Movement Support page (www.sddc.army.mil/dms/pages/default.aspx) under the "Regs & Docs" tab. The survey will be open through 31 July 2023.
