

Military Surface Deployment and Distribution Command

Customer and Carrier Advisory

May 17, 2023

CA-23-05-17/0039

Subject: Transportation Service Providers (TSPs) terminal information request.

Purpose: To advise TSPs of the terminal information requirement.

The Government Cargo Recovery Effort Program (GOCARE) program provides the DoD with a method to recover astray, and frustrated cargo located at a Transportation Service Provider (TSP) terminal or warehouse.

In accordance with, the GOCARE guidelines as outlined in the Military Freight Traffic Unified Rules Publication, (MFTURP) 1-A, Section A, Paragraph J., TSPs are required to provide terminal information for all locations to SDDC annually. The information should include the Address, POC, Telephone number and Email address.

Terminal information will be used by SDDC to determine if additional DOD GOCARE sites are required and support program recommendations. TSPs may email the information no later than **30 September 2023** to SDDC at usarmy.scott.sddc.mbx.go-carriers@army.mil.

Reference: Military Freight Traffic Unified Rules Publication, (MFTURP) 1-A, Section A, Paragraph J.

POC: SDDC G3 Outreach and Engagement Branch at email: usarmy.scott.sddc.mbx.go-carriers@army.mil

Expiration: 1 October 2023
