

Military Surface Deployment and Distribution Command

Customer and Carrier Advisory

May 14, 2025

CA-25-05-14/0030

Subject: Submitting Requests to Receive Advisories

Purpose: To inform all Department of Defense (DoD) personnel, transportation service providers (TSP) and all other stakeholders how to register to receive Advisory notices.

Be Advised: An update has been made to the Surface Deployment and Distribution Command (SDDC) Advisory Registration Process.

The new method is outlined on the SDDC Public Website Home page at <https://www.sddc.army.mil/SitePages/Home.aspx>. Once there, the new instructions can be found on the Motor, Rail, Ocean/Barge, Pipeline, and Air tabs.

Those interested in receiving advisory notices should send an email request to the Advisory Team at usarmy.scott.sddc.mbx.g33-advisory-team@army.mil which is found under the Customer and Carrier Advisories section. If there are multiple personnel within a section that need to be added, their names can all be included in one email.

United States Transportation Command (USTRANSCOM) Advisories will also still be sent out through SDDC channels to assist them with widest dissemination. Authorized Personnel looking to only receive USTRANSCOM Advisories should contact USTRANSCOM at <https://ww2.ustranscom.mil/commair/advisories.cfm>.
