Customer and Carrier Advisory

October 10, 2025

CA-25-10-10/0066

Subject: Transportation Account Codes (TAC) Impacted by Government Shutdown

Purpose: Inform TAC managers of required actions for TACs impacted by the government shutdown.

Be Advised: For all FY26 TACs associated with appropriations that are currently impacted by the government shutdown, ARTRANS requires TGET table entries be updated to set the Status Code entry to "I" (Invalid) until such time as applicable appropriations are enacted.

This requirement does not pertain to TACs associated with any Working Capital Fund appropriations.

The TAC Status Code value is what ARTRANS will use to ensure billing action is suppressed for each of the TACs involved pending appropriation enactment.
