CA-26-01-22/0005

Subject: U.S. Army Transportation Command Shipper Session Notice for 26 Feb 2026

Purpose: The purpose of this training course is to empower logistics leaders and professionals with the critical knowledge and practical skills needed to properly route shipments to Hawaii and Puerto Rico and effectively manage small package logistics.

Be advised: The shipper training session will be conducted via Microsoft Teams from 0930-1045 CST and presented by HQ ARTRANS G3 and USTRANSCOM J4. The meeting invite will be sent out on the morning of 24 Feb 2026.

Topic 1: Special considerations when booking cargo from CONUS to Puerto Rico and Hawaii.

Topic 2: Next Generation Delivery Service (NGDS); manual costing of shipments. This session will provide an overview of the process to manually determine the cost of NGDS shipments.

To register, please email usarmy.scott.artrans.mbx.g3-shipper-session@army.mil by close of business on 20 February 2026, stating your interest to attend. Only .mil and .gov email addresses will be accepted; requests from other email domains will be denied. Please share any ideas or topics you would like to see covered in future sessions.

***NOTE* Please do not email the Advisory Team to register you for the event as they are not the Point of Contact.**
