February training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (February 3, 2025) Local Army units are scheduled to conduct routine training activities in February that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change. Weather, such as overcast conditions and Kona winds (southerly) can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

To report concerns related to noise or training, contact the U.S. Army Hawaii's Community Concern Line at (808) 787-1528 or usag.hawaii.comrel@army.mil. Concerns are responded to during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

For the community's awareness, the training is as follows:

<ul style="list-style-type: none">February 2-6, 17-18, 23-27	Artillery, mortar, and demolitions live fire training on Schofield Barracks (Day and Night Live Fire, including late evening and early morning hours): <ul style="list-style-type: none">5 a.m. – midnight
<ul style="list-style-type: none">February 2-5, 7, 10-13	East Range: Range and Jungle Tactics, Small Arms Blank Fire: <ul style="list-style-type: none">6 a.m. – 6 p.m. daily
<ul style="list-style-type: none">February 5, 27	East Range: Aviation Training/Rappel Master School <ul style="list-style-type: none">6 a.m. – 6 p.m. daily

The military appreciates the understanding and continued support of the local community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.

The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation or East Range training activities (between Wahiawa and Mililani Mauka). To receive Army training advisories directly, email usag.hawaii.comrel@army.mil with "Subscribe Training" in the subject line.
