U.S. ARMY

Cody A. Beck

Deputy Director
Army, Transformation Decision Analysis Center (TDAC)

Mr. Cody A. Beck was appointed to the Senior Executive Service in June 2022 and serves as the Deputy Director of the Transformation Decision Analysis Center (TDAC) in the U.S. Army Futures and Concepts Command. TDAC leads, conducts and delivers relevant and timely analysis in support of Army decision needs. TDAC is recognized across all echelons of the Army and our partners as the premier source for world-class, value-added, all-domain Army analysis required to inform system and formation design, fielding and operations decisions. Prior to assuming this position, Mr. Beck served as the Director, The Research and Analysis Center at Ft. Leavenworth (TRAC-FLVN), Kansas. As the Director, he led and directed the conduct of operations analysis to inform decisions about future concepts, design of future organizations for the operating force, and requirements for new capabilities leading to force modernization.
