Your Partner for Advisory & Engineering Services

- The EXPRESS Program provides responsive, high-quality Advisory and Assistance Services (A&AS) to any Army organization. By leveraging General Services Administration (GSA) Blanket Purchase Agreements (BPAs), we offer an efficient contract vehicle for your mission needs.

How It Works

- Customer: Any Army enterprise organization.
- Contracting: Your organization's assigned Army contracting office issues the order.

Delegated Procurement

- If the customer's assigned contracting office is other than ACC-RSA, we provide Delegated Procurement Authority (DPA) at no cost.
