

SCRIPT FOR SMA for video on GoldStarPins.org

SMA Chandler: Hello, I'm Raymond Chandler, Sergeant Major of the United States Army.

Mrs. Chandler: And I'm Jeanne Chandler.

SMA Chandler: We will never forget those who lost their lives while serving our great nation. No one knows the price of freedom more than our surviving military families. The Army is committed to supporting our survivors with programs like Survivor Outreach Services.

Mrs. Chandler: Many times there are unresolved issues or questions that may surface months or years after a loss. Survivor Outreach Services embraces and reassures survivors that they are continually linked to the Army family for as long as they desire.

Explore this website to see how YOU, too, can get involved with supporting surviving military families.

SMA Chandler: Join us in sharing the meaning behind the Gold Star pins and the importance of remembering and honoring those who wear them.
