# USAG Yongsan Environmental Compliance Inspection Checklist

□Monthly □Quarterly □Site Assistance Visit □Follow-Up

| Unit:                      | _Building #: | Date:   |
|----------------------------|--------------|---------|
| Commander:                 | EO:          |         |
| Inspector:                 |              |         |
| Overall Inspection Rating: | □ <b>GO</b>  | □ NO-GO |

Inspection Standards:

<u>Initial Inspection:</u> Satisfactory = -Must not exceed 2 NO-GO ratings in each section. -Must not receive a NO-GO on an item marked with an \* in a section. -Failure of any one section results in an overall NO-GO of the entire inspection and will require a Follow-Up Inspection.

Follow-up Inspection:

Satisfactory = Corrections on any NO-GO ratings from Initial Inspection.

#### Section 1 Administrative

|  | Rating |           |     |
|--|--------|-----------|-----|
| Inspection Item  |        | NO-<br>GO | N/A |
| <ol> <li>Is there a primary and alternate Environmental Officer (EO) appointed by<br/>orders?</li> </ol> |        |           |     |
| <ol><li>Is a current copy of the EO appointment orders at DPW-Environmental<br/>Division?</li></ol>      |        |           |     |
| 3. *Are the EOs trained within 3 months of being appointed?  |        |           |     |
| 4. *Is the EO conducting the monthly compliance inspections as required?                                 |        |           |     |
| 5. Are the following publications on-hand and current? (electronic or hard copy)                         |        |           |     |

| а          | ) AR 200-1, Environmental Protection & Enhancement   |  |
