

# UNITED STATES ARMY GARRISON KOREA AREA I MASS WARNING AND NOTIFICATION SYSTEM

## Smartphone Application Setup & Use

### ATHOC NOTIFIER

The United States Army Garrison Korea Area I Mass Warning and Notification (MWN) system includes a mobile notification smartphone application in addition to several other forms of notification such as desktop alert, email, phone, and text message. The AtHoc Notifier is a smartphone app which displays as a purple globe on your main mobile phone screen with the rest of your mobile applications. The AtHoc Notifier is available for iOS and Android smartphones.

### INSTALL THE ATHOC NOTIFIER

The AtHoc Notifier can be installed in just a few easy steps.

**Required:** Before you download and install, you must have an active email set up in the United States Army Garrison Korea Area I Mass Warning and Notification system.

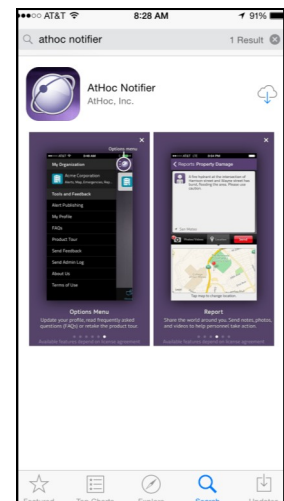

STEP 1. Search for and Download the AtHoc Notifier app from the Apple App or Google Play stores.

STEP 2. When the download is complete, open application and enter your active email address associated with your United States Army Garrison Korea Area I MWN System account when prompted.

STEP 3. AtHoc Notifier will send a verification email to confirm your address. From the email, click [Verify Now >>](#)

STEP 4. Return to the application on your mobile device and add the United States Army Garrison Korea Area I MWN organization code ([usa-koreai](#)) as prompted. You have completed the installation.

## Smartphone Application Setup & Use

### READ & RECEIVE ALERTS

Use the Home Screen to view messages and alerts. The colors and icons identify the status of each alert:

### READ & REPLY TO ALERTS

Tap an alert to open it and read the contents. Some alerts provide multiple response options. Tap **Reply** to respond, and then tap the appropriate response option.

### READ & ACKNOWLEDGE ALERTS

For alerts that do not provide response options, tap **Acknowledge** to reply to the alert.

### SETTINGS

You can modify the application settings from the Menu screen.

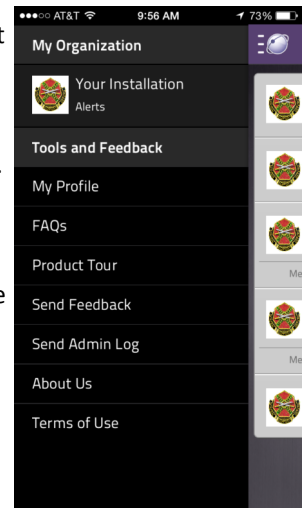

### SET UP YOUR PROFILE

You can add information about yourself in your profile settings.

1. Tap  to open the menu. From here you can access **My Profile**.

2. You can add a photo, update your first and last name, and view your registered email address.

3. Tap **< Back** to return to the Home screen.

### UNSUBSCRIBE

You can unsubscribe from receiving alerts from the Menu Screen

1. Tap  to open the menu. From here you can select **Your Installation**.

2. Tap **Disconnect ...** to disconnect.

3. Tap **Disconnect** to confirm.

4. You will no longer receive alerts for the United States Army Garrison Korea Area I MWN system and you may remove the application from your device.

**NOTE:** Under "Available Features," only "Alerts" will be enabled. This is the system default, and no changes are required.
