United States Army Garrison Daegu, KOREA

STANDARD OPERATING PROCEDURES

FOR

Housing Management

01 February 2017
USAG Area IV Leaders,

To help you meet the Garrisons’ requirements to establish and implement standard housing management procedures, we have prepared this USAG Daegu Housing Standard Operating Procedures (SOP) document to aid in the accomplishment of the most important work we do - SERVING OUR SERVICE MEMBERS (SM), CIVILIANS, AND THEIR FAMILIES!

USAG Daegu Area IV has begun a major face lift and transition with on-post Army Family Housing (AFH). During FY15-18, we will experience a shortfall with on-post housing for Senior Officers, Field Grade Officers, and Sergeant Majors. Service members under these grade categories will be assigned to the first AFH Tower constructed and when occupancy is available. The surrounding off-post housing communities will be challenged during this period as well because families will continue to be assigned to off-post housing during this transition. We are committed in providing you facilities commensurate to your service and sacrifices. We continue to improve the quality of life standards for our USAG Daegu unaccompanied service members by renovating barracks on Camp Henry and constructing new barracks on Camp Carroll.

Our mission supports readiness and projection while continuing to provide top-quality facilities in which SM, civilians and their families live, work, and train to meet the operational demands in the Korean theater. This USAG Daegu SOP sets standards in the management of the housing program at US Army Installations in Area IV and compliance is mandatory. This SOP will help maximize customer service and standardize housing services.

Comments, additions, improvements, and any suggested changes should be forwarded to Mr. Wilfredo G. Moore, USAG Daegu Housing Director, DSN 315-768-9032 or wilfredo.g.moore.civ@mail.mil

SECTION 1: ARMY FAMILY HOUSING (AFH)

1-1 Responsibilities:

The Garrison Housing Office shall provide adequate living accommodations for all eligible Department of Defense military and civilian personnel. These accommodations include US Government owned and leased facilities on each installation. Housing counselors shall provide prompt, courteous customer service for the entire military and civilian community. Housing counselors will maintain current customer information using the official housing data system.

1-2 Assignment of Housing:

1. There is a mandatory AFH assignment policy to government owned or leased housing for all military command sponsored service members (SM). SM must have at least 12 months left on station from assignment date for an offer of government leased housing and 6 months left on station from assignment for an offer of government owned assets. SM will be offered the first available set of housing and will have a maximum of 24 hours to accept or reject the offer. Once a unit is turned down, the next applicant on the waiting list will be offered the unit. At no time will the same housing unit be offered to two eligible persons. Applicants do not have the right to inspect the interior of the housing at the time of the offer. The Housing Division may assist customers by providing floor plans.

2. Family members on PCS orders must occupy housing within 3 days of assignment to housing.

3. If adequate on-post housing is declined by the SM, and SM requests to reside off-post, an exception to policy (ETP) must be submitted. SM will remain on the waiting list until Garrison Commander’s decision is made.

4. SM on an accompanied tour will be offered housing when housing becomes available and may not delay assignment to housing for personal reasons.

5. Housing with minor maintenance problems are normally considered habitable and cannot be refused. The Housing representative will consider all information and render a decision concerning the housing unit’s habitability.

6. Upon assignment to government housing, residents will receive and must sign a Conditions of Occupancy for Military Family Housing form which will be retained in residents file.
7. Families residing off post must provide a 45-day Termination Notice to their landlords that they have been offered on-post housing. Additionally, once a SM clears off-post housing, they must provide clearance documents to the Housing Office for an effective date to stop Overseas Housing Allowance (OHA). Service member’s OHA will stop on the date of assignment to government housing.

4. Designation of KB/KE positions will be kept to the absolute minimum to ensure maximum housing equity for all personnel assigned to the installation.
1-6 Eligibility for Family Housing:

SMs that are issued a Command Sponsorship Sequence Number (CSSN) are eligible for government family housing. When the Request for Travel Status of Family Members is received by the Housing Office, a travel status shall be granted for the family members. The travel status for family members will be determined based on when the SM is scheduled to arrive and the projected availability of government housing. The Housing Division shall render one of the following travel decisions:

a. Concurrent Travel to Government Housing (CTG). Family members are authorized to travel at the same time as the sponsor, and government housing are projected to be available within 60 days of arrival. SM authorized three or more bedrooms may opt to reside in smaller housing, but will be considered adequately housed for the remainder of their tour. Personnel granted CTG may not delay assignment to housing due to personal reasons.

b. Deferred Travel to Government Housing (DTG). Government housing is not available within 60 days, but is projected to be available within 140 days. Family members are not authorized to travel until the SM accepts an offer of housing with a firm availability date. Family members arriving before authorized/approved assignment to housing are not entitled to TLA. Unaccompanied personnel on DTG (all ranks), will be required to in-process through the Unaccompanied Personnel Housing (UH) branch and occupy UH until family housing is available and accepted.

c. Concurrent Travel to Economy Housing (CTE). Personnel receiving deferred travel to government housing may request family travel to CTE. SM granted CTE may elect to remain on the government housing waiting list while residing in economy housing and will be notified when housing is projected to be available.

1-7 Application Process for Family Housing:

The Housing Office must establish an eligibility date for placement on the appropriate waiting lists. The SM must provide the following documentation to complete the application and assignment process to family housing:

a. DD Form1746 (Standard Application for Assignment to Housing).

b. Permanent Change of Station (PCS) Orders to Korea.

c. Pin Point Orders/Command Sponsorship number for the Permanent Duty Station (PDS).

d. DA Form 31 (Request and Authority for Leave).

e. DA Form 137-3 (Installation Clearance Record).
1-8 In-Country (IC) Command Sponsorship (CS):

SM who receives an IC Command Sponsorship Position Number (CSPN) will be placed on the waiting list in accordance with the effective date of the CSPN, and must report to the Housing Office within 30 days of receiving the CSPN. Personnel reporting to the Housing Office after the 30 days will receive an eligibility date as of the date of application.

1-9 Credit for Completion of a Dependent Restricted Tour:

1. Upon completion of a dependent-restricted tour, including involuntary extension beyond initial tour, the date departed previous duty station for the dependent-restricted tour or a maximum 14-month credit will be given. SM who obtain family members during the tour and were separated from those family members will receive credit only for time separated. Voluntary extension beyond the initial tour will negate all credits.

2. To receive consideration for this credit, the following information is required:
   a. Orders to the dependent-restricted location.
   b. Officer Record Brief / Enlisted Record Brief (ORB /ERB).
   c. Temporary Duty (TDY) Voucher from My Pay website.

1-10 Waiting Lists:

1. Command Sponsored SM will be placed on a waiting list once eligibility has been established and will be placed on the waiting list according to KB, KE, priority, eligibility date, rank, and bedroom requirement.

2. Personnel who are directed to transfer within or between OCONUS PDS prior to completion of their original OCONUS accompanied tour (Date Eligible for Return from Overseas [DEROS] does not change) will be credited for the date departed last PDS for original accompanied overseas tours. Military personnel who complete an original OCONUS accompanied tour outside of and begin another OCONUS accompanied tour (their DEROS changes) will receive date departed last permanent duty station.

3. SM must apply in person for housing within 30 days of arrival to installation to receive the above eligibility dates. Personnel who apply after 30 days will receive an eligibility date as the date of the application.

4. SM requesting to relocate to other housing due to change in rank or increase in family members will receive an eligibility date as of the date of application to relocate. Promotable applicants must present proof of their promotable status prior to placement.
on the applicable waiting list. SM may apply for and be assigned housing based on the anticipated birth of a child, which may warrant an additional bedroom, but must present a medical certificate that verifies the pregnancy prior to placement on the waiting list. SM must have at least 12 months left on station for assignment to government leased assets and 6 months left on station for assignment to government owned assets. Assignment is the date the SM accepts the keys to the housing unit. Any costs associated with the relocation will be borne by the SM to include movement of government furnishings.

5. Bedroom authorization upon initial application:

   a. Due to limited number of government owned and government leased housing assets, bedroom authorizations will be based solely on authorized family members on PCS orders. Authorized family members who have traveled to Korea on PCS orders, but leave to attend an accredited institution of higher learning, and are enrolled in a fulltime course of study, will be authorized a bedroom for the duration of the tour or until age 23, whichever occurs first; such instances will be reviewed annually to validate the requirement. Family size will supersede rank and be the sole determinant in prioritizing bedroom assignments.

   b. SM who are making their initial application for family housing and are anticipating the birth of another child must provide medical verification of pregnancy. This will entitle the SM to larger housing.

   c. Personnel may elect, in writing, to be placed on the waiting list for housing with one bedroom less than that for which he/she qualifies, if housing is not available in the category for which the applicant is eligible. If housing is assigned under this condition, occupants will be considered to be adequately housed unless increase in family size.

6. It is the eligible SM responsibility to notify the Housing Office of any changes in personal status (e.g. family status, rank, unit, DEROS, phone number, etc.) and other pertinent information. Should the eligible SM apply for a housing entitlement change but fail to update pertinent information, SM eligibility will be effective the day SM information is changed; entitlement will not be backdated.

1-11 Scheduling Termination of Housing:

SM are required to notify the Housing Office of their intent to terminate housing 60 to 120 days prior to PCS. A pre-inspection can be completed 45 to 60 days prior to SM anticipated termination date. SM are required to notify the Housing Division upon receipt of port call date to schedule a pre-termination inspection. Upon scheduling the final termination inspection, the SM will receive a TLA memorandum indicating the authorized days of outgoing TLA. The SM is responsible for coordinating temporary lodging.
1-12 Relocation Between Housing Units (Convenience Move):

SM must have at least 12 months remaining on station from the date of assignment to government housing prior to approval of relocation between housing. SM must completely relocate within 3 working days upon assignment to new housing. SM who relocate with less than 20 months in their present housing must pay the prorated costs to paint their old house. SM requesting relocation must complete a relocation memorandum, which outlines conditions and requirements for relocation (Customers must submit completed Relocation Memorandum to the Housing Office, Appendix A-1).

1-13 Government Directed Move:

SM are authorized a government directed move upon notification of available on-post housing if they reside in economy housing. A government directed move can be authorized due to major renovations or emergency repairs of government owned or government leased housing assets. SM may be entitled to partial dislocation allowance (DLA).

1-14 Early Return of Dependents:

SM must terminate family housing within 30 calendar days of early return of dependents. House cleaning at government expense is not authorized for housing that is being terminated due to early return of dependents. TLA is not authorized for departing family members and BAH will not start until the unit has been terminated and cleared by Housing. E-6 and below will be required to relocate to unit barracks. E-7 and above will be assigned to UH until their DEROS, if space is available. If housing not available, SM will be required to move off post at their own expense and will collect OHA at the w/out dependent rate.

1-15 Retirement or Separation From Service:

SM are not authorized to reside in government housing after retirement or separation from service. SM on terminal leave may apply to reside in government housing until the effective date of their retirement or separation date of service. If approved, SM must terminate housing prior to the effective date of retirement or separation.

1-16 Mandatory Relocation Due to Reduction in Family Members:

If the sponsor has a reduction in family members and Housing is required to house a bona fide requirement, the Housing Division may relocate the resident to housing meeting the adjusted bedroom requirement (if SM has at least 12 months remaining to DEROS). Mandatory moves will be at government expense; partial dislocation
allowance (DLA) will not be authorized. Exception to this applies to paragraph 1-9 e.

1-17 Visitation Policy:

1. Visitation in AFH and UH is authorized for dependents and guests when such visit do not infringe on the rights of other residents.

   a. Sponsors are responsible for the conduct of their dependent(s)/guest(s) and are expected to enforce high standards of conduct of their visitors.

   b. Visitors will not be permitted to remain in housing in excess of 24 hours unless formal written permission is obtained. A written notification to DPW, Housing Division is required when having visitors for over 24 hours.

   c. Written permission for visitation of dependent(s)/guest(s) must be obtained from DPW, Housing Division Chief for 30 days or less.

   d. Written permission from the Commander, USAG Daegu is required for visitation of 31 calendar days or more. Visits that exceeds 30 days, without authorization, will be considered as residency and the SM must come to the Camp Henry or Camp Carroll Housing Office to change their housing status.

2. Residents desiring to have dependents visit during their tour of duty will take the following actions prior to the arrival of their dependent(s)/guest(s):

   a. Requests in accordance with b, c, and d above will be approved by the resident’s Company Commander and Battalion Commander before processing through the Housing Office. Fill out the Visitation Request Memorandum to include date of arrival, dependent’s name, age, and date of departure (Appendix A-2). All requests should be at the Camp Henry or Camp Carroll Housing Office two weeks prior to the arrival of dependent(s)/guest(s) to allow for processing.

   b. Contact the Pass and ID Section and request access to the installation.

   c. Notify the Housing Office when dependent(s)/guest(s) depart.

   d. Notify the Finance and Accounting Office if the visit will exceed seven (7) consecutive days.

3. At no time will dependent spouse/children or other family members be allowed to reside in UH facilities (BOQ and SEQ) with the service member.

1-18 AFH Building Coordinator Program:

Housing Chief is encouraged to actively solicit participation for the Building
Coordinator program through community awareness venues to support the housing program. Each building will have a Building Coordinator. The most senior person in the building will not necessarily be the Building Coordinator based on several factors, such as position, time remaining on tour, etc. The USAG Daegu Commander will issue appointment letters. *(See section 2, Building Coordinator Program)*

1-19 **Closed Circuit Television System (CCTV):**

1. Within Camp George, Mountain View Village (MVV), a CCTV system is in place to assist Housing Division and Law Enforcement personnel in the performance of duty and provide safety and security for our community within the Family Housing Complex. All Housing Division and Camp George Management (KOHOM) employees who use, operate, or have access to the CCTV cameras and its video footage in storage are required to read this policy and be trained in the legal authority or limitations on the use of the CCTV which includes: privacy implications that the CCTV camera may cause from impact in freedom of association and speech, the right to privacy inside the residence, protecting the images from unauthorized disclosure when internal sharing of the footage within the Garrison is and is not authorized, and the limited basis when released to a non-federal entity would be authorized.

2. Objectives:
   
   a. Protect USAG Daegu infrastructure and associated assets.
   
   b. Increase personal safety and reduce the fear of crime in our community.
   
   c. Protect public and private property.
   
   d. Support the Law Enforcement community in incidents pertaining to force protection and crime prevention.
   
   e. Assist in the identification, investigation, and potential prosecution of violators through the use of images captured on CCTV. This includes using CCTV images as evidence in criminal and administrative proceedings.
   
   f. Assist in determining the financial liability for damage(s) to government or private property.

3. CCTV provides Housing Division and Law Enforcement personnel real-time visual information. Cameras are used to monitor activity at Army Family Housing and other public areas in an effort to detect criminal activity, to determine financial liability for damages, and to ensure the safety and security of our community.
4. The CCTV system is a secured network comprised of Fixed and Pan, Tilt, Zoom (PTZ) cameras. Cameras are mounted at various public locations within MVV (e.g. elevators, playgrounds, community room, common areas).

5. CCTV is “right to privacy” sensitive. Privacy protections include:
   a. CCTV monitors public spaces where there is not an expectation of privacy. They cannot peer into a private residence.
   b. The system primarily monitors wide, “over-watch” areas.
   c. Arbitrarily or discriminately tracking an individual is prohibited and will result in disciplinary action towards those found in violation of this policy.

6. Data Storage. CCTV images/recordings are kept for 30 days after which the data is over-written. During the 30 days, the images are stored on the system hard-drive which is only accessible to Housing Division and KOHOM employees. At a minimum, the DES can authorize the release of images/video recordings to any DoD entity based on an official need to know determination and this includes but is not limited to the Military Police and Criminal Investigation Division. Images will not be provided to a non-federal entity without a legal review citing the legal authority authorizing or directing the release.

7. Residents are reminded that they are responsible for the behavior and conduct of their guests and that they may be held financially liable for any damages or destruction of government property in family housing caused by their guest.

1-20 Pets

1. Definitions:
   a. Stray animals.
   b. Domestic pets includes dogs or cats, regardless of size.
   c. Exotic animals are snakes, monkeys, geckos, rabbits, or other similar type animals. In the event there is a conflict as to whether a resident’s pet is considered exotic, a final decision will be made by the Garrison Commander after consultation with the Commander, 106th Medical Detachment.
   d. Caged animals are birds, fish, hamsters, ferrets, guinea pigs, gerbils, and turtles.
   e. Livestock are pigs, cattle, goats, horses, sheep, and chickens.
2. General:

   a. Residents of Unaccompanied Housing (UH) are not authorized domestic pets.

   b. Residents of AFH are limited to two domestic pets per household.

   c. Exotic animals are prohibited in all government housing in USAG Daegu.

   d. Caged animals are permitted in all family housing.

   e. Non-family members and guests of USAG Daegu housing residents are prohibited from bringing any animals on to the installation, except for authorized personnel bringing animals to the pet care center or the Veterinary Treatment Facility (VTF).

   f. Upon in-processing with the Housing Division, applicants who are authorized to bring domestic pets to Korea will fill out a Pet Registration Form (Appendix A-3). By signing the Pet Registration Form, applicants acknowledge that they have read, understand, and will comply with all provisions outlined in this policy.

   g. Personnel who knowingly bring an unauthorized pet to Korea when they have been notified that certain pets are not authorized, will be subject to removal from or denied Government housing.

   h. Personnel who violate this policy and whose government housing is terminated will not be authorized Overseas Housing Allowance (OHA).

   i. All pets must be registered at the USAG Daegu VTF within 10 days of acquisition or arrival in country.

   j. Dogs and cats require certificates of immunization for rabies prior to registration. Other required immunizations must be accompanied in accordance with the schedule provided by the VTF. Dogs must be immunized annually against rabies, distemper multivalent immunizations with leptospirosis, and must be tested for heartworm infection and maintained on heartworm preventative with de-wormer year-round. Cats must be immunized against rabies, feline panleukopenia virus multivalent immunization, and be tested for parasites and/or de-wormed at least annually. Exception to this policy will be due to medical reasons only, at the discretion of Daegu VTF veterinarian.

   k. Micro-chipping is mandatory for any size pet. Micro-chipping will assist in identification of animals in the event of non-combatant evacuation where animals larger than 25 pounds cannot travel with their owners but must be held on the installation until arrangements can be made for their transportation. Micro-chipping of smaller pets is highly recommended but is not mandatory. Micro-chipping may be accomplished at any of the military VTFs in South Korea.
l. Disabled persons with a bona fide animal assistant are exempt from this policy, regardless of where they are housed in USAG Daegu.

m. All animal deaths must be reported immediately to the VTF.

n. All animals will be maintained on a leash. Verbal control is insufficient. It is the owner’s responsibility to control the animal, not the citizen’s responsibility to avoid the animal. The person with the animal must be able to control the animal.

o. Pet owners are responsible for picking up and properly disposing of animal waste.

p. Animal control is the responsibility of the owner and fines and/or Provost Marshal Office action may be taken against violators.

q. Owners will not allow pets to disturb neighbors by showing any signs of aggressive behavior (e.g. constant barking, growling, snapping). Animals showing this type of behavior will be removed from housing, and in certain circumstances, may be subject to humane euthanasia.

r. Owners will not abandon their pet. If the sponsor is unable to provide the necessary care or if the sponsor is transferred from the installation, the sponsor must make provisions to find a home for the pet. All stray animals on Korea wide installations will be picked-up by DPW Pest Control Personnel and impounded at the servicing VTF for further disposition. Stray and abandoned animals and pets not claimed within a reasonable time (three (3) working days) will be considered nuisance animals and may be euthanized. A statement of charges will be initiated to collect all cost incurred to capture and dispose of an abandoned pet, and owner will be subject to UCMJ action as a result of abandoning pets.

s. The owner of an animal involved in a bite case will bring the animal to the Daegu VTF, where appropriate rabies quarantine and observation procedures will be determined. Failure to comply within 24 hours will result in the animal being seized by the military police and impounded at a designated facility at owner expense.

t. Violations of this policy may result in administrative sanctions. Incidents of failure to control animals may result in, at a minimum, the animal being removed from USAG Daegu installations and may result in removal of the sponsor/owner from government housing.

u. Commercial operations involving animals, including breeding of animals is prohibited in on-post housing. Services at the Daegu VTF will not be provided to anyone breeding animals.
v. Pet issues and/or concerns should be reported to Building Coordinators, USAG Daegu Housing Office, the military police, or the Area Civilian Misconduct Officer. Citations may be issued by the military police.

w. Pets are an integral part of many households. However, pets in dwelling units can be problematic. Pet owners must ensure that pets are controlled so that they do not become a public nuisance of menace. Additionally, residents with pets are responsible for ensuring their children and pet sitter follow the pet policy.

(1) There is a growing number of complaints of pet owners not adhering to the rules. Some pet owners are allowing their pets to relieve themselves in inappropriate areas, to include urinating inside buildings, elevators, and on building exteriors. Also, some pet owners are not picking up their pet’s waste. However, the Housing Office cannot take action against the violators unless residents are willing to provide written details, such as the violator’s name, residence, dog breed, time of day of occurrence, description of the offense, witnesses of the incident, and/or photos. All residents are encouraged to report such violations of the pet policy to the Housing Office.

(2) Violators of the pet policy set forth are subject to a variety of sanctions to include eviction from AFH. The following process will be implemented by the Housing Office when violators are reported or identified:

(a) First offense: violators will be issued a letter of warning outlining the offense and a chance to respond.

(b) Second offense: violators will be referred to the Family Member and Civilian Misconduct Review Board for a review of the facts and a recommendation of potential sanctions. If sufficient evidence exists to indicate a violation of this policy, the family may have to choose between giving up their pet or being evicted from AFH.

1-21 Noise Control:

1. All individuals within the USAG Daegu area of responsibility have the right to expect peace and quiet. Accordingly, acts of excessive noise will not be tolerated.

2. Procedures:

   a. During quiet hours, with the exception of emergency repairs, no construction will occur either from contractors or an in-house work force.

   b. During quiet hours, sound from people and equipment (e.g. stereos, TVs, portable sound systems) will not be so loud that the noise can be heard in adjacent rooms or buildings.
c. Quiet hours are:

   (1) 2200-0700 Sunday through Thursday.

   (2) 2300-0700 Friday, Saturday, and evenings prior to holidays.

d. Within any dwelling unit, most noise can be tolerated during normal hours (0700-
   2200), however, at no time will sound equipment be turned up loud enough to disturb
   anyone in adjacent rooms or buildings. Portable sound systems will not be carried in
   public by military members, civilian personnel, or their family members while
   broadcasting externally. Additionally, car stereo systems will not be operated where
   anyone outside the car is disturbed by the noise.

e. Sound equipment will not be played outdoors on post, unless approved by the
   Commander, USAG Daegu.

f. Unit movements: There are certain measures commanders may take to hold the
   noise down to a bearable level, especially when executing a unit movement during quiet
   hours. A maximum speed of 15 miles per hour for all vehicles moving through
   residential areas will be strictly enforced by the chain of command. Vehicles will not be
   idle for prolonged periods of time. Times and routes for all movements will be
   established to minimize noise and disruption.

g. Physical Training: Cadence calling during PT is an essential ingredient in
   building and maintaining unit esprit de corps. Cadence will not, however, be called in or
   adjacent to housing areas. Vulgar of offensive cadence calls will not be used at any
   time.

h. Recommendations to reduce noise in government housing.

   (1) Carpet those areas that are most heavily used to absorb noise.

   (2) Communicate with your neighbors to set volume levels on sound equipment
   to determine a tolerable range.

   (3) Make complaints against violators to area, building, and floor coordinators
   and as a final resort, to the Housing Office.

1-22 Alterations:

Any alteration to Government owned or leased housing must be approved in writing
before starting the work. The required authorization request must be submitted to the
Housing Office. Any unauthorized alteration/addition must be removed and/or restored
at your expense. Construction, additions, or alterations include, but not limited to the
installation of wallpaper, boarders, stencils, painting, and safety latches/locks.
1-23 Smoking:

1. Smoking is prohibited in all government owned and leased housing. Smoking in common areas such as hallways, stairwells, elevators, balconies, and within 50 feet of multi-family buildings is prohibited.

2. Building coordinators will ensure that outdoor designated smoking areas will be at least 50 feet from common points of ingress/egress and will not be located in areas that are commonly used by non-smokers. These smoking areas will have appropriate trash receptacles available and will be properly policed. Appropriate smoking signs will be posted.

3. Smoking electronic cigarettes (e-cigarettes) is not permitted in any location where smoking of traditional tobacco products is prohibited.

4. Those violating this policy will receive a written warning. Please note that failure to abide by this smoking policy may be grounds for termination from AFH and moved off-post without any Housing entitlements for service members residing in government owned and leased housing.

1-24 Mold and Mildew:

1. Residents who do not take a pro-active approach in self-help maintenance of mold and mildew may incur charges for neglect of government property.

2. During the months of May ~ September, mold and mildew grow rapidly if left untreated. Keep blinds and curtains open to allow sunlight into room, and set air conditioner at 78 degrees. Residents must perform maintenance on their AC unit (i.e., changing filter and calling in a service order for repairs).
SECTION 2: UNACCOMPANIED HOUSING (UH)

2-1 Responsibility:

The Unaccompanied Housing (UH) Office shall provide adequate living accommodations for all eligible US military and civilian personnel. UH counselors shall provide prompt, courteous customer service for the entire military community. UH counselors will maintain current customer information using the official housing database system. It is the resident’s responsibility to notify the Housing Office of any changes in personal status, (e.g. rank, unit, DEROS, phone number) and other pertinent information.

2-2 Priority of Assignment:

1. Assignment to UH is mandatory when housing is available. SM must remain in UH housing for a minimum of six months from the date of assignment; this stabilizes the new inbound SM, shortens the SM in-processing time, and greatly reduces the costs for constant change of occupancy and unnecessary Overseas Housing Allowances.

2. Priorities for assignment to UH are as follows:

2. Personnel in priorities III through VI are assigned on a space-available basis. They are not required to participate in a waiting list for UH (PP), not required to occupy UH (PP), and not required to obtain a certificate of non-availability (CNA). Minimum standards of adequacy do not apply to residents in these categories. SM must have at least 12 months left on station from the effective date of the off-post lease contract. The Garrison Commander may direct the assignment of housing to all grades if this is necessary to maintain Army mission requirements and standard occupancy rate which is at least 95%.

2. In order to enter into an off post lease contract, a counselor will validate that the occupancy rate is at 95% or above and the SM has at least 12 months remaining on station. After validation, the counselor will provide the off-post Housing briefing.

   a. The SM is responsible for:

      (1) Scheduling and completing the UH pre/final termination appointments.
      
      (2) Scheduling off post health and safety inspection.
      
      (3) Scheduling lease signing appointments with Housing/Landlord/Realtor.
      
      (4) Scheduling unfunded Government Furniture delivery/pickup.
b. When SM is moving off-post due to their personal convenience, they are not entitled to the following:

(1) Certificate of Non-Availability (CNA).

(2) Dislocation Allowance.

(3) Government funded move to include furnishings and appliances.

(4) Move In Housing Allowance (MIHA).

3. SM may submit an ETP request if they feel their situation warrants additional consideration due to unique or extenuating circumstances. Approval of an ETP by SM chain of command does not entitle SM to reside off post and receive housing allowances; approval for OHA is at the discretion of the Garrison’s Housing Chief with final approval from the Garrison Commander.

2-8 Relocation Between Housing (Promotion):

SM may elect to move to appropriate housing upon promotion, if space is available. The SM must relocate within three (3) working days upon assignment to new housing at their own expense.

2-9 Dual Occupancy – On-Post Housing and Off-Post Private Housing:

If approval is granted for SM to reside off post, the SM is required to vacate UH within five (5) days of assignment to off-post housing. The Housing Office will not assign on-post UH housing to SMs who are authorized to reside off-post. SMs are not authorized to maintain both off-post housing and on-post UH.

2-10 Pregnant Soldiers (E6 and Below):

1. Pregnant SM are authorized to move off post and collect OHA w/out dependent rate at 24 Weeks (6 Months). SM must provide the Housing Office with proper medical documentation and the 1SG/Company Commander approval prior to moving off post. Once child is born, the single SM must provide a birth certificate to the Housing Office to change OHA rate from “without” dependent to “with” dependent rate. A Certificate of Non Availability (CNA) will not be issued and government furniture will be authorized.

NOTE: This applies if the SM is a bona fide single SM not collecting OHA/BAH entitlements. If the SM is single and collecting dependent rate OHA/BAH then the entitlement will be the same as “Married Pregnant SM on UH Orders.”
2. Married pregnant SMs are authorized to move off post at their own expense. A CNA is not authorized. If a SM has dependents residing elsewhere collecting “with” dependent rate OHA or BAH; and once the child is born (additional dependent), the SM must decide whether she wants to continue to collect “with” dependent rate OHA or BAH as the SM is authorized only one (1) entitlement.

   b. Landlords that do not renew the lease for our customers will be removed from the Army Housing Market. Exceptions will be sent to the Housing Manager for review and forwarded to the USAG Daegu Commander for consideration.

SM will be responsible for transporting their student dependents to school or to an established school bus stop within the commuting area at their own expense.

4. DoD Regulation 4500.36R requires that Installation Commanders advise each incoming sponsor of the school commuting area and of the consequences of accepting housing outside of the commuting area. SM are required to certify on this memorandum that they have been advised of the commuting area and that they understand the information provided.

APPENDIX B-3
BACKGROUND:

Temporary Lodging Allowance (TLA) is an allowance designed to partially reimburse Service Members and their Families for the more than normal living expenses incurred during occupancy of temporary lodging and the expenses for meals obtained as a direct result of the use of temporary lodging at overseas permanent duty stations.

The TLA manager for the area will ensure that TLA is managed prudently. The TLA manager shall employ good business practices to preclude the necessity for payment of TLA, to shorten the period of entitlement, and to reduce the amount payable.

Service Members, regardless of branch, do not have a statutory or regulatory right to TLA. Service Members need to report to the Housing Office within 48 hours to in-process. TLA is based solely on the availability of housing, as determined by the Housing Division staff.

IN-PROCESSING TLA:

Command Sponsored Inbound: If Service Member arrive first unaccompanied, E6 and below will be housed in unit barracks, E7 and above will be housed in UPH quarters. No TLA inbound is authorized for Service Members or Family Members that do not travel together/concurrently on approved command sponsored concurrent dependent travel orders.

On-Post Housing:

Required documents: PCS Orders, Pin Point Orders, Command Sponsorship Orders (if applicable), Amended Orders (if applicable), and Lodging Receipts.

The initial TLA period will be up to 15 days or less if adequate available quarters are offered.

Subsequent extensions to initial TLA period must provide a justification statement regarding availability of on-post quarters from the Housing staff.

TLA will be processed in intervals of 15 days and will be paid out in 15-day increments.
TLA reimbursement from Finance can take up to 30 days.

TLA is not authorized when government quarters are declined.

**Off-Post Housing:**

Required documents: PCS Orders, Pin Point Orders, Command Sponsorship Orders (if applicable), Amended Orders (if applicable), and Lodging Receipts.

The initial TLA period will be up to 15 days or less.

TLA extensions will not be automatically authorized. After the first 20 days, the Service Member must request an extension from the Chief of Housing. To request an extension, you must provide the Off-Post Housing Search List to show you are aggressively seeking housing. Final approval/disapproval is based on this form.

Service Member must provide a justification memorandum stating reason for extension that is signed by either company commander or battalion commander. Approval or disapproval will be determined by the Housing Chief.

Failure to comply with the diligent search requirements will result in termination of TLA.

TLA claims will be filed every 15 days and will be paid out in 15-day increments.

**OUT-PROCESSING TLA:**

Lodging receipt must show a zero (0) balance and itemized list of days. Finance will not accept the receipt unless it has a zero (0) balance. You can ask Lodging to send a copy of your zero (0) balance receipt to the Housing Office or you can email a copy of your zero (0) balance receipt to the Housing Office at: usarmy.henry.imcom-korea.list.usag-daegu-tla-housing.mail.mil.

**On-Post Housing:** TLA is only authorized for up to 3 days.

**Off-Post Housing:** TLA is only authorized for up to 10 days

Per USFK Regulation 37-57, 6f(3), and JFTR Vol 1, U9155-D, Military Members who elect to bring Non-Command Sponsored dependents are not authorized any TLA entitlements.
