### MISSION STATEMENT

*The mission of the USAG Daegu Fire & Emergency Services is to protect the lives, property, and environment of the Soldiers and Community of Area IV and Partnering Communities while supporting the Vision of IMCOM & the 19<sup>th</sup> ESC and their unique mission. We will respond as an all hazards emergency response agency to natural and man-made disasters, provide pre-hospital medical care, and reinforce prevention through education as a proactive partner within the Greater Area IV community.*

### VISION

*The USAG Daegu Fire & Emergency Services will be a premier all hazards response agency in the Greater Area IV Community and the Department of Defense; through cooperative community outreach programs, leading-edge strategy, accessibility, decisive leadership, and sustainable utilitarian programs. In doing this we will evolve, and as a model organization, mentor those we partner with by aligning how we do business, and become the gold standard of our profession and the services provided.*

## SAFETY TIP FROM THE FIRE DEPARTMENT

### Space Heaters Safety

- All portable electric heaters requires written approval of the DPW prior to use.
- Only Underwriters Laboratories(UL) or Factory Mutual(FM) labeled appliances and equipment is authorized for use. Equivalent Korean and Japanese standards are also authorized for use.
- Space heaters need space. Keep all things that can burn, such as paper, bedding or furniture, at least 3 feet away from heating equipment.
- **Choose models that have automatic shut off and tip over safety switch that turn the unit off if accidentally tipped over.**
