6. Summary. SUBJECT: Command Policy #17, Escorted Visitor Policy

c. Sponsors who fail to properly escort their visitors while on the installation (first time offenders) will be processed accordingly by law enforcement personnel and will lose their escort privileges for not less than thirty days. Second time offenders are subject to losing their escort privilege indefinitely, or for a period of time determined by the Garrison Commander.

d. Violations of this escort policy will be referred to the appropriate Commander, Director, Sponsoring Agency, or the Provost Marshal's Office for action.

e. Visitors must be processed onto the installation at an authorized Access Control Point (CPX Gate Visitor's Center or Pedestrian Walk-Thru Gate) and be escorted at all times while on the installation. Extended visitor's passes (72 or 96 hours) are processed and issued only at the CPX Gate Visitor's Center.

f. Regardless of the duration an escorted visitor's pass validity (24 hrs, 72 hrs, or 96 hrs), the escort (Sponsor) must either re-register or de-register their visitor from DBIDS at the Access Control Point at which they initially processed the visitor pass prior to its expiration.

g. Escorted personnel must present and/or surrender one of the following documents to visitor center security personnel for verification of identity/nationality and in exchange for an escorted visitor pass:

If the visitor possesses no other form of valid photo ID, the sponsor may surrender his/her valid photo ID in exchange for the visitor's pass. However, the sponsor may not surrender their personal DOD Military/US Government issued ID card for this purpose.

h. Persons violating this policy will have their escort privileges removed from DBIDS for the specified duration. Following the suspension period, the individual must request in writing, through the Directorate of Emergency Services, to the Garrison Commander to have their escort privileges reinstated.
