On Jan. 1, 2018, there are a number of changes coming to your TRICARE benefit. This includes a change to the current TRICARE regions. In preparation for this change, enrollments in TRICARE health plans will be delayed while beneficiary files are transferred to the incoming regional contractors. The delay period, or an enrollment freeze, will begin on Dec. 1, 2017 and last approximately three weeks, or until the data transfer is complete.

Also, cost changes for TRICARE benefits transition from a fiscal year period to a calendar year period. This includes retirees and their family members in TRICARE Prime, TRICARE Retired Reserve, TRICARE Reserve Select and those in TRICARE Young Adult plans.

For more information, visit www.tricare.mil/changes. You can also stay in the know by signing up for our email updates. <https://public.govdelivery.com/accounts/USMHSTMA/subscriber/new>. Take command of your health care by staying informed!

Summerall Field Parking Lot Policies

Summer Field parking is for short-term, day parking Summerall Field Parking lot is not a long-term lot, for instance for Soldiers who may be on leave, or even deployed; this includes civilians.

If you are going to be on leave, be sure to let your chain of command know of your activities, but park your POV in the Tri-Services parking area. When a POV is parked long-term in the Summerall Field parking area, it is likely the car will be towed at owner's expense. In the event Tri-Services parking lot must be used for an unanticipated mission, vehicles may be moved, but not towed.

Be sure to tell your chain of command or first line supervisor if you are leaving your vehicle in Tri-Services parking. For more information, call 703-696-3290/1.
