MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Command Policy #50, Expectant and New Mother's Parking Permit Authorization (Stork Parking)

1. References:

- a. AR 190-5, Motor Vehicle Traffic Supervision, 22 May 2006.
- b. USFK Reg 190-1, Motor Vehicle Traffic Supervision, 10 May 2012.

2. The proponent for this policy is the Directorate of Emergency Services.

3. This policy is effective immediately. It remains in effect until rescinded or superseded.

4. Applicability. This policy applies to all expectant and new mothers requesting Stork Parking privileges on USAG Humphreys.

5. Purpose. To outline the registration criteria for obtaining a Stork Parking permit and to establish Garrison policy and procedures for the issuance of subject privilege.

6. Intent.

a. Stork vehicle parking spaces are designated at various establishments throughout USAG Humphreys. These parking spaces are designated primarily for the personal convenience of expectant mothers in their 2nd trimester (Weeks 13~27), 3rd trimester (Weeks 28~42), and new mothers during the subsequent three months following their delivery.

b. Exceptions to these criteria will be granted for females in their 1st trimester of pregnancy given a Physician's written recommendation (e.g., Females with physical complications or reasons otherwise determined by a physician).

c. Designated parking spaces for our expectant and new mothers is one of the most important features in our continuing effort to better the quality of life in our USAG Humphreys community.
