

HERET COMES

Watch Where You Walk

On average, one pedestrian dies in a crash-related accident every two hours. Use crosswalks and look both ways before crossing and never walk on train tracks. Most pedestrian accidents occur at night, so see and be seen.

Ready ... or Not is a call to action for leaders, Soldiers, Army Civilians and Family members to assess their readiness for what lies ahead - both the known and unknown.

Throughout our professional and personal lives, events happen all around us. We are often able to shape the outcome of those events, but many times we're not. Navigating life's challenges is all about decision-making.

So are **YOU** ready ... or not?

READY ...OR NOT?
